PRELIMINARY LIST OF PARTICIPANTS

MILDEF AB

Develop computers and computer systems for use in demanding environments, where durability and functionality are of decisive importance

AMAG ROLLING GMBH

AMAG Austria Metall AG – AMAG – is based in Ranshofen, Austria and is the nation's leading manufacturer of aluminium semis and casthouse products for the processing industry.

Austria

HICO INFORMATIONS & KOMMUNIKATIONS-MANAGEMENT GMBH

IT- solutions for industry.

Austria

PICHLER & STROBL MASCHINENBAU GMBH

Pichler & Strobl has been working and producing high technical components in various fields for more than 10 years. Having the Know-How in this diverse market allows for further development and processing of products.

Austria

TTTECH COMPUTERTECHNIK AG

Distributed Platforms and Deterministic Networks, Ethernet-based (ARINC664, SAE AS6802) switches

Austria

ZOERKLER GEARS GES.M.B.H. & CO KG

Engineering, machining and manufacturing for the aerospace industry.

Austria

BOMBARDIER AEROSPACE

Bombardier Aerospace is a division of Bombardier Inc. and is the third-largest airplane manufacturer in the world.

Canada

ADVANTAGE AUSTRIA

Group of highly specialized Austrian companies within the aeronautic and defense industry.

Austria

BÖHLER EDELSTAHL GMBH & CO. KG

Producer of Steel and Ni-Base, Barmaterial, billet.

Austria

MCE STAHL- UND MASCHINENBAU GMBH & CO KG

Designing, assembling and erecting complex steel constructions (steel bridges, structural steel).

Austria

PLANSEE SE

World market leader in high performance materials produced by powder metallurgy.

Austria

VILLINGER GMBH

Advanced Aircraft Ice Protection heatable coatings

Austria

EMBRAER - EMPRESA BRASILEIRA DE AERONAUTICA SA

Brazilian aircrafts manufacturer

Brazil

CANADIAN EMBASSY IN SPAIN

Commercial Services of the Canadian Embassy in Spain

Canada

AERO VODOCHODY AS

Manufacturing services concerning major airframe assemblies and subassemblies, composite parts

Czech Republic

CZECHTRADE SPAIN

National Trade Promotion Agency of the Ministry of Industry and Trade of the Czech Republic

Czech Republic

AÉRIADES - POLE AEROSPATIAL LORRAIN

Aeronautic spatial defense cluster for the Lorraine Region

France

AEROSPACE CLUSTER IN RHONE-ALPES

Network of the aerospace companies located in the Rhône-Alpes region, France.

France

AEROSPACE VALLEY

Aerospace cluster from South West of France

France

AEROVAC SYSTEMES FRANCE

A supplier and manufacturer of composite process materials, Richmond Aerovac is a crucial partner in the aeronautical, wind power, marine and automotive sectors

France

AIRBUS OPERATIONS SAS

Airbus is a leading aircraft manufacturer, with the most modern and comprehensive aircraft family.

France

AIRBUS SAS

Airbus is a leading aircraft manufacturer, with the most modern and comprehensive aircraft family.

France

AKKA TECHNOLOGIES

SSIi indépendante offrant à ses clients une approche orientée solution. Calculateurs embarqués, simulateurs, bancs de tests, automatismes, systèmes de navigation, centres de contrôle, traitement du signal, réseau neuronaux,...

The event will be co-financed by the European Union funds, it takes part of the program " Operativo FEDER Andalucía 2007-2013 "

PRELIMINARY LIST OF PARTICIPANTS

ALLIO SAS

Design and production of assemblies and parts manufacturing industry means (means of control, assembly, molding, trimming, drawing, stamping, crimping, etc.). For automotive, aerospace, civil and military shipbuilding.

France

ATEM SA

Design and manufacturing of RF & microwave cable assemblies DC up to 70 GHz and more recently, answers to sub-system integrations expectations.

France

BODYCOTE ADE

Bodycote is the world's largest and most respected heat treating, hot isostatic pressing, materials testing and metallurgical coatings service company.

France

CAROMAR

Precision engineering in the aerospace, defense, medical, electrical equipment. Realization of machining, sheet metal, mechanical welding.

France

DAXEN

Steam or gas autoclaves - Metrological control - Control system retrofit

France

DESGRANGES OUTILS COUPANTS

Cutting Tools for aircraft manufacturers and MRO companies

France

AMPHENOL AIR LB

Electrical connectors and Attachment systems.

France

BCI AEROSPACE

BCI Aerospace is advanced business events – abe, specialized division for aviation and defense oriented events. It was established in 1996 and has become world leader of business to business events for the aeronautics, space and defense industries.

France

BONNANS

Special process, machining and assembling, titanium : chemical milling and SPF, and reparation for the aerospace industry.

France

DASSAULT AVIATION

Aircrafts, business jets and fighters manufacturing. Dassault Aviation is one of the major players in the global aviation industry. A reasonably sized and financially secure private international group, with a presence in more than 70 countries.

France

DERICHEBOURG ATIS AERONAUTIQUE

Service company involved with the biggest players in the aerospace industry throughout the life cycle of the aircraft (Trades media, production, inspection, flight testing, assistance at delivery).

France

DIAMOUTILS SAS

Specialist of Diamond, PCD and CBN Tools.

France

Organised by:

Industrial support:

The event will be co-financed by the European Union funds, it takes part of the program " Operativo FEDER Andalucía 2007-2013 "

PRELIMINARY LIST OF PARTICIPANTS

EADS - EUROPEAN AERONAUTIC DEFENCE AND SPACE COMPANY

Military transport and fighter aircraft, defence electronics and security systems and space systems.

France

EMITECH

France

GMT KEP METAL TECH

GMT vibration specialist lagerschale bonded parts rubber.

France

INS

Testing and R&D capabilities in tribology, chemistry, surface & material sciences

France

LATECOERE

Equipment manufacturer (aircraft doors, fuselage sections, video camera systems).

France

LE JOINT FRANCAIS (GROUPE HUTCHINSON)

Design and production of sealants. Adhesives and protective coatings.

France

MESSIER BUGATTI-DOWTY (BIDOS)

Landing gear manufacturer - Safran Group

France

EADS SOGERMA

Aerostructures, cabin interiors, cockpit seats.

France

GERAC TOULOUSE

Electromagnetic compatibility (EMC), Lightning, HIRF, Test and expertises. Lightning pulsers and amplifiers development.

France

INDUSMECA SAS

Subcontractor specialized in machining mechanical parts and assembly. Manufacturing of high added value components for aerospace, energy, railway sectors.

France

LATECIS

Engineering and services portal of Latecoere group

France

LATELEC

Onboard wiring for the aerospace industry.

France

LIEBHERR AEROSPACE TOULOUSE

Air systems for civil and military aircraft.

France

ROCKWELL COLLINS FRANCE

Rockwell Collins is an American manufacturer specializing in avionics and organization of information technology

France

Organised by:

Industrial support:

The event will be co-financed by the European Union funds, it takes part of the program " Operativo FEDER Andalucía 2007-2013 "

PRELIMINARY LIST OF PARTICIPANTS

ROLLED ALLOYS

Rolled alloys is the biggest distributor of nickel alloys, cobalt alloy, titanium, stainless steel. We stock sheet, plate, bar, pipe, welding wire and we process all materials with waterjet, laser, plasma, plate saw, bar saw.

France

SAVOIE RECTIFICATION

Machining, forming, treatment, grinding, control

France

SERVICE CENTRES AERO FRANCE

Stockist and distributor in semi finished products in aluminium and titanium alloys

France

SOCOMORE

CICs (Corrosion Inhibiting Compounds), Paint strippers, Degreasers and cleaners, Deoxidizers, Engine line, Pre-saturated and technical wipes, solvent, sol gel...

France

SONATS

Supplier specialized in surface treatment by mechanical impact.

France

SUNAERO/HELITEST

Manufacture of rapid detection of leaks fuel tracer gas, Manufacture of catalytic infrared emitters for fast curing of sealants, paints and composites, Equipment certified to work in explosive environments and meet the operational constraints.

France

SAT THERMIQUE

Designer and manufacturer of industrial ovens & furnaces for every thermal processes up to 650°C.

France

SEABURY AVIATION AEROSPACE

Global Advisory and investment management group providing banking, restructuring / corporate recovery, management consulting, IT development, and human capital advisory services.

France

SNECMA (GROUPE SAFRAN)

Aerospace engine manufacturer (belongs to Safran Group).

France

SOFOP SA

Industrialization of precision machining, assembly and test.

France

SPRING TECHNOLOGIES

Developer and integrator of IT solutions (PLM Lifecycle Management Product) for industrial enterprises.

France

TECHNI MODUL ENGINEERING

Industrialization of the manufacturing process for parts made from composite materials.

France

Organised by:

Industrial support:

The event will be co-financed by the European Union funds, it takes part of the program " Operativo FEDER Andalucía 2007-2013 "

Technofan, a subsidiary of the Safran Group, is a pioneer in the sector of high performance ventilation applied to aeronautics and defense.

France

TOPSOLID MISSLER SOFTWARE

Software Edition for the Aerospace Industry

France

UBIFRANCE

French agency for international business development.

France

AIRCRAFT PHILIPP GMBH & CO KG

Ready-to-Install Components for the Aircraft Industry (Aircraft & Engines).

Germany

EVONIK INDUSTRIES

Chemical industry specialties, composite semi-finished products.

Germany

INTERTURBINE PROJEKT MANAGEMENT GMBH

MATERIAL SUPPORT FOR MAINTENANCE, MANUFACTURING, PRODUCTION AND REPAIR FOR AEROSPACE AND HIGH-TECH INDUSTRIES

Germany

MICCAVIONICS DEFENSE SYSTEMS

Leading manufacturer of task management and navigation systems for helicopters.

Germany

TIMET SAVOIE

Melting and manufacturing of titanium alloy products, semi-finished products distribution.

France

TRELLEBORG SEALING SOLUTIONS FRANCE

Design and production of rubber parts, O-rings, adherized parts, technical parts, molding, extrusion, manufacturing, machining.

France

WESCO AIRCRAFT

Hardware, Fasteners, Machined & Fabricated Parts, Electricals, Fluid Fittings, Bearings, Tooling

France

EACP - EUROPEAN AEROSPACE CLUSTER PARTNERSHIP

EACP provides a permanent platform for mutual exchange, policy learning, and cooperation to achieve high-level performance among European aerospace clusters.

Germany

FLUGZEUG-UNION SUD GMBH

Germany

MAG INDUSTRIAL AUTOMATION SYSTEMS

MAG is a solution provider, supplying the broadest range of products, application expertise, tooling and service to our aerospace customers.

AIAD - ITALIAN INDUSTRIES FEDERATION FOR AEROSPACE DEFENCE AND SECURITY

Italian Industries Association for Aerospace Systems

Italy

AVIO SPA

Avio is an international group, leader in the design, development and production of components and systems for aerospace propulsion, working in the whole life cycle of the product - from design to MRO services - in the civil and military areas.

Italy

CENTRO ESTERO PER L'INTERNAZIONALIZZAZIONE S.C.P.A

Torino Piemonte Aerospace is an Italian cluster that offers international buyers (main constructors and prime contractors) a preferential channel to meet a selection of top class companies and facilitate business development.

Italy

O.V.S. VILLELLA SRL

Manufacturer of aerospace structures, sheet-metal - welding - piping

Italy

HUNGARIAN INVESTMENT AND TRADE AGENCY - HITA SPAIN

Hungarian Investment and Trade Agency

Hungary

AEROMATRIX INFO SOLUTIONS PRIVATE LIMITED

Engineering and design support services dedicated to serve aerospace, automotive, general engineering and heavy machinery manufacturing companies worldwide.

India

ALENIA AERMACCHI SPA (TORINO)

Italy

BRETON S.P.A.

Production of 3,4,5, and 6 axis upper gantry machining centres for the processing of components in composite materials, aluminum, steel and super-alloys in the aerospace, automotive, general engineering areas

Italy

DM ELEKTRON SPA

We are a worldwide engineering and manufacturing company: dm elektror designs, develops and produces electronic boards, in-circuit, functional and run-in test solutions based on aerospace requests

Italy

PRESTEL ELETTRONICA S.R.L.

Engineering, industrialization and manufacturing of wiring harnesses for military and civil aircrafts

Italy

Organised by:
